  - One share equals one vote. Each shareholder shall have the number of votes equal to the number of shares held, or obtained by proxy.
  - There shall be no voting on an agenda for the Meeting's acknowledgement.
  - The Company's officers would collect all voting cards in accordance with the practice of the Stock Exchange of Thailand.
  - For vote counting, "Disapprove" and "Abstain" voting cards submitted by shareholders would be counted, any voting cards without signature or with more than one box checked would be regarded as a "void voting card", and the rest of voting cards would be counted as "Approve" votes.
  - Shareholders who wanted to vote "Disapprove" and "Abstain" should raise their hands so that the Company's officers collected their voting cards. After that, "Approve" voting cards would be collected.
  - Shareholders who did not submit their voting cards shall be considered as "Approve" voters.
  - Once all the agenda items have been covered, all shareholders should leave their voting cards on the meeting table for the Company to collect for documentation.
2. Inquiry and comments
  - Shareholders who wished to ask questions or give comments should raise their hands.
  - Shareholders should inform their full name to the meeting before asking questions or giving comments.

After that, Dr. Virabongsa Ramangkura, who acted as the Chairman of the Meeting, expressed his gratitude to the shareholders for attending the Meeting and informed the Meeting that there were 72 shareholders presenting in person, representing 65,110,075 shares, and 65 shareholders by proxy, representing 58,689,051 shares. In total, 137 shareholders and proxies attended the Meeting, holding a total of 123,799,126 shares, equivalent to 50.1131% of the total 247,039,600 issued shares, which was more than one-third of the total issued shares. A quorum was thus constituted according to the Company's Articles of Association, and the registration of shareholders attending the Meeting proceeded.

The Chairman called the Extraordinary General Meeting of Shareholders No.1/2018 to order, and notified the shareholders that H.M. King Maha Vajiralongkorn Bodindradebayavarangkun had graciously bestowed Royal Kathina Robes upon Finansa Plc. and Finansia Syrus Securities Plc. for the offering to monks who had completed the three Vassa

months at Wat Samphanthawongsaram Worawihan. The ceremony would be held on Sunday, November 4, 2018 at 14.00 hours, which the Shareholders were welcome to attend or simply to rejoice in this merit.

Then, the Chairman assigned the Managing Director to proceed with the agenda of the Meeting accompanied by a presentation as follows:

**Agenda 1** To consider and certify the Minutes of the 2018 Annual General Meeting of Shareholders held on April 26, 2018

The Managing Director informed the Meeting that the 2018 Annual General Meeting of Shareholders had been held on April 26, 2018. The Minutes of the meeting had been duly prepared and submitted to the relevant authorities within the period prescribed by law, and posted on the Company's website. The Minutes must also be submitted to the shareholders for joint consideration of their accuracy. Details of the minutes had been given as Enclosure 1 in the meeting invitation.

Opinion of the Board The Board had recommended that the Meeting certify the Minutes of the 2018 Annual General Meeting of Shareholders held on April 26, 2018.

Vote Requirement This agenda item must be approved by the majority vote of shareholders who attended the meeting and were entitled to vote.

The Managing Director then asked if there were any questions or suggestions with regards to the Minutes of the 2018 Annual General Meeting of Shareholders. Since there were no further questions, the Managing Director requested the shareholders to certify such Minutes of the 2018 Annual General Meeting of Shareholders.

Resolution: The Meeting certified the Minutes of the 2018 Annual General Meeting of Shareholders held on April 26, 2018 with the following vote results:

Votes	Number of Votes Cast (1 share = 1 vote)	Percentage of voting rights exercised by the shareholders present and casting their votes
1. Approved	123,531,127	99.7513%
2. Disapproved	3,000	0.0024%
3. Abstained	305,000	0.2463%
4. Void	0	0.0000%
Total	123,839,127	100.0000%

Remark: For this agenda item, there were 2 additional shareholders attending the Meeting, representing 40,001 shares.

Since Agenda 2 to Agenda 6 were interrelated and conditional to one another, if the Extraordinary General Meeting of Shareholders No.1/2018 disapprove any of those Agendas, the next relevant Agendas would not be presented to the Extraordinary General Meeting of Shareholders No.1/2018 for further consideration, whilst the Agendas that had been approved prior to disapproval on such Agenda would be deemed cancelled.

The aforementioned clause was set based on the fact that the offering price of the newly issued shares at Baht 5.00 per share, as mentioned in agenda 2 and 4, was not higher than the par value of the Company's shares. Therefore, such price was not incompatible with Public Limited Companies Act B.E. 2535 (as amended). However, the offering price was higher than the volume weighted average price of the Company's ordinary shares on the last 7 consecutive business days prior to the date which the Board of Director's Meeting had approved to propose to the Shareholders' Meeting for consideration and approval on the sale of the newly issued shares at Baht 4.16 per share. It was possible that this Right Offering might not succeed, and the Company might not receive sufficient funds in time, effecting the investment plan and capital structure. However, the oversubscription for the newly issued shares of Mr. Vorasit Pokachaiyapat, according to agenda 5-6, would ensure that the Company receive sufficient funds in time according to its investment plan.

In case that agenda 5 and/or agenda 6 did not receive an approval, agenda 2 to agenda 4, which concerned the issuance and offering for sale of the newly issued shares, would be cancelled. Therefore, the shareholders who would like to subscribe for the newly issued shares, as well as the rest of the shareholders, would not be able to subscribe for such shares.

**Agenda 2** To consider and approve the increase in registered capital of the Company

The Managing Director reported the Overview of the operating results to the Meeting, which were concluded as follows:

Shareholders enquired about various matters as follows.

Mrs. Suksant Chunsilapavej : Regarding the Company's acquisition of MK's shares through assets  
Shareholder exchange and additional purchase, currently of 10.4% of shares. According to the news, a couple months ago, Supalai Property Management Company Limited ("SPM") had made a Voluntary Tender Offer for all ordinary shares of MK. How does the management plan to handle this matter to ensure the shareholders' best interests?

Mr. Vorasit Pokachaiyapat : Allow me to clarify the following.

Managing Director

1. Regarding SPM's Voluntary Tender Offer for all ordinary shares of MK at 4.10 per ordinary share, the offer has already been concluded and SPM acquired about 0.3% of registered capital.
2. The management views MK as a promising company in the real estate and residential property development business, with sales grossing at between Baht 2,000 million per year and Baht 2,500 million per year after its recent appointment of new management. The new management aims to make recurring incomes such as residential rental properties, factory leasing, golf course, etc. the main revenue sources in the future. The residential property development business requires purchase of land every 2-3 years, with land values rising every year; there are risks in every new development, hence the attempt to minimize possible risks. MK's

management has set a capital allocations goal of roughly Baht 6,000 million, split equally between (1) housing development and sale business (2) businesses with recurring incomes.

Mr. Somporn Chowsombat : Regarding the Company's past share swap with MK at Baht 6.15  
Shareholder per share, I consider the price too high in comparison to the SET price of MK's shares. In addition, after the swap, MK's share price dropped to about Baht 3 per share, I want to know if the Company has purchased more of its shares and why the Company need the capital increase.

Mr. Vorasit Pokachaiyapat : Allow me to clarify the following.

Managing Director

1. The price of MK's shares at the time of share swap was roughly Baht 6 per share because a major shareholder had bought shares from a former shareholder at roughly Baht 6, hence the price increase. Thus, the Company needed to analyze MK's intrinsic share value based on the said price and its operating results. After the swap of shares the Company has been purchasing shares at market price, and currently its share ownership stands at 10.4%.
2. Pertaining to this capital increase, the Company deems it most beneficial for the advancement of the business to increase the proportion of investment in MK and believe we are operating under an appropriate capital structure.

Then Mr. Varah Sucharitakul, Director, succeeded Mr. Vorasit Pokachaiyapat incurring the Meeting to prevent conflicts of interests.

Mr. Sakchai Sakulmontre : Please clarify Enclosure 3 (Details pertaining to the Request for Waiver  
Shareholder from Mandatory Tender Offer Obligation), page 3, article 5.8, which states that within 12 months after acquiring the assets in question the Company plans to expand its direct investment and increase investments in associate companies. The Waiver Requester as the management may revise the policies or business plans of the Company and its associate companies as he sees fit, for the best interests of the Company and its associate companies. However, apart from the aforementioned condition, the Waiver Requester has no intention to significantly change the Company's policies, business plans, such as business objectives,

increase of investment or production capacity, organization structure, management or employment of personnel, major asset distribution plans of the Company's and its associate companies, financial structural reform plans, or dividend payout policy.

Mr. Varah Sucharitakul : I'd like to explain that to obtain such waiver, a request form is needed  
Director along with a declaration whether the Waiver Requester intends to revise the Company's management structure after the capital increase. Incidentally the Waiver Requester, Mr. Vorasit Pokachaiyapat, Managing Director, has no intention to make changes, and the statement quoted is written in accordance with the SEC's format.

Mr. Vorasit Pokachaiyapat : I'd like to add that it is my obligation as the Waiver Requester to inform  
Managing Director the Shareholders of any decision made regarding the Company.

Mr. Sakchai Sakulmontre : I'd like to ask the following.  
Shareholder

1. Will the ordinary shares issued in this capital increase be subjected to the SEC's Silent Period rule? Why is their offering price Baht 5 per share, and how much will their value drop after the capital increase? Also, investors should be informed of how their money will be invested in more details.
2. Is the Waiver Requester's group holding shares in Morgan Stanley & Co. International Pcl. a nominee account?

Mr. Vorasit Pokachaiyapat : Allow me to clarify the following.  
Managing Director

1. The newly issued ordinary shares will not be subjected to a Silent Period rule and will receive dividends. After the capital increase their accounting value will drop from around Baht 9 to around Baht 8.
2. We cannot give more details on our investments as they are currently under discussion.

Mr. Varah Sucharitakul : I would like to add.  
Director

1. The law forbids offering prices lower than par value (Baht 5).
2. The shares in Morgan Stanley & Co. International Plc. are in Mr. Vorasit Pokachaiyapat's overseas account. where he deposited his investment in the Company's shares around 20-30 years ago This information has been disclosed to the SET from the start and this is not a nominee account.

Shareholder /Proxy : May I ask, considering the market price of the Company's stock (FNS) being lower than its intrinsic value, if there is a plan for stock split?

Mr. Varah Sucharitakul : Please be informed that the stock prices in securities and real estate  
Director businesses, both of which the Company is investing in, are often less than intrinsic values. Still, the Company has been putting efforts to improve various aspects, such as investing in cutting edge trading technology for FSS and trying to strengthen the Company's business fundamentals. As for the stock's market price, it is still subject to a price mechanism. Besides, the Company has not planned a stock split as our stock price is still not high.

Shareholder /Proxy : What are the reasons for the Company's irregular revenue, as it earned less in Q2/2018 financial statement than in Q2/2017? And from which business does the Company earn its main incomes?

Mr. Varah Sucharitakul : It is probably difficult to evaluate our revenue by quarter, as the  
Director income from investment banking business is not received every quarter but instead received by project, some of which take around 3 years to complete. For example the Thailand Future Fund (TFF) which has just been completed last week.

Thereafter Mr. Varah Sucharitakul, Director, clarified that The Board of Directors' Meeting No. 5/2018 held on August 23, 2018 had resolved to propose to the Extraordinary General Meeting of Shareholders No.1/2018 to consider and approve the increase in the Company's registered capital detailed as follows.

the current registered capital	the new registered capital	Increased
Baht 1,235,198,000	Baht 1,729,277,200	Baht 494,079,200
247,039,600 shares	345,855,440 shares	98,815,840 shares
with a par value of Baht 5 per share		
(Right Offering) at the ratio of 2.5 existing shares to 1 new ordinary share at an offering price of Baht 5 per share		

Enclosure 2: Capital Increase Report Form

**Agenda 4** To consider and approve the issuance and allocation of new ordinary shares to existing shareholders proportionate to their shareholding (Right Offering)

Mr. Varah Sucharitakul , Director, informed the Meeting that with reference to agenda 2, regarding the increase in the Company's registered capital from the current registered capital of Baht 1,235,198,000 to the new registered capital of Baht 1,729,277,200 by issuing 98,815,840 new ordinary shares with a par value of Baht 5 per share, the Board of Directors' Meeting No. 5/2018 held on August 23, 2018 had resolved to propose to the Extraordinary General Meeting of Shareholders No.1/2018 to consider and approve the issuing and offering new ordinary shares to existing shareholders proportionate to their shareholding (Right Offering) by issuing 98,815,840 new ordinary shares at the ratio of 2.5 existing shares to 1 new ordinary share (a fraction of share shall be disregarded) at an offering price of Baht 5 per share, totaling Baht 494,079,200. The offering price is not less than the volume weighted average price of the Company's ordinary shares on the last 7 consecutive business days prior to the date on which the Board of Director's Meeting had approved to propose to the Shareholders' Meeting for

consideration and approval on the newly issued shares on August 23, 2018, which is Baht 4.16 per share. Details of the Right Offering to be considered are as follows:

1. To consider issuing and allotment of 98,815,840 new ordinary shares to existing shareholders of the Company proportionate to their shareholding (Right Offering). Whereas, the existing shareholders have rights to subscribe for new ordinary shares in excess of their share allotments proportionate to their shareholding (oversubscription) by expressing their intention to oversubscribe. However, the existing shareholders who oversubscribe shall be allotted the oversubscribed shares only when there are remaining unallotted shares after the first allotment to all existing shareholders who subscribed for shares proportionate to their shareholding. The allotment of the oversubscribed shares shall be done in accordance with the following principles:

1.1 In case the number of remaining unallotted shares is higher than the number of oversubscribed shares

The Company shall allot all the unallotted shares to respective shareholders who oversubscribe and make subscription payment for such shares.

1.2 In case the number of remaining unallotted shares is lower than the number of oversubscribed shares

(a) The Company shall allot unallotted shares proportionate to the shareholding percentage of each oversubscribing shareholders, calculated by multiplying existing shareholding percentage of each oversubscribing shareholders by the number of remaining unallotted shares resulting in the number of shares to be allotted to each oversubscribing shareholders (in case there is a fraction of share as a result from calculation, such fraction of share shall be disregarded). In any case, the number of oversubscribed shares to be allotted to each oversubscribing shareholder shall not exceed the number of shares that such oversubscribing shareholders subscribe and make subscription payment for.

(b) In case there are remaining unallotted shares after the allotment in accordance with (a), the Company shall allot such remaining unallotted shares proportionate to shareholding percentage to each oversubscribing shareholder who has not yet received the shares up to their full oversubscription amount, calculated by multiplying existing shareholding percentage of each oversubscribing shareholders by the number of remaining unallotted shares resulting in the number of shares to be allotted to each oversubscribing shareholders (in case there is a fraction of share as a result from calculation, such fraction of share shall be disregarded). The Company shall repeat the allotment of remaining unallotted shares with the method prescribed in (b) until there are no remaining unallotted shares left.

In any case, the allotment of oversubscribed shares as mentioned above shall not cause any shareholder of the Company to violate the foreign shareholding restriction as stipulated in the Articles of Association of the Company, which presently allows the shareholding by foreign entity in the Company of not exceeding 49% of total number of paid-up shares of the Company. The Company reserves the rights to not allocate shares to any subscriber if such allotment will cause or may cause the violation of any laws or regulations pertaining to the offering and sale of securities under the rule of Thai law.

**Agenda 5** To consider and approve the waiver from mandatory tender offer by using the resolution of the shareholders' meeting (Whitewash)

Mr. Varah Sucharitakul, Director, informed the Meeting that with reference to agenda 2 and agenda 4, regarding the capital increase of Baht 494,079,200 by issuing 98,815,840 new ordinary shares with a par value of Baht 5 per share to existing shareholders proportionate to their shareholding (Right Offering) at the ratio of 2.5 existing shares to 1 new ordinary share (a fraction of share shall be disregarded) at an offering price of Baht 5 per share, totaling Baht 494,079,200, the existing shareholders have rights to subscribe for new ordinary shares in excess to their share allotment proportionate to their shareholding (oversubscription), and the oversubscribing shareholders shall be allotted the oversubscribed shares only when there are remaining unallotted shares after the first allotment to all existing shareholders who subscribe for shares proportionate to their shareholding.

During the Board of Directors' Meeting of the Company No. 5/2018, Mr. Vorasit Pokachaiyapat, a managing director and an existing shareholder, who did not attend the Board of Directors' Meeting of the Company No. 5/2018, had informed the meeting in writing expressing that Mr. Vorasit Pokachaiyapat and his related person as per Article 258 ("Mr. Vorasit") had an intention to subscribe and oversubscribe for new ordinary shares in a total amount of not exceeding 98,815,840 shares, consisting shares from RO allotment of approximately 18,102,742 shares and shares from oversubscription allotment of approximately 80,713,098 shares.

In this regard, assuming that there were no other oversubscribing shareholder, Mr. Vorasit would exercises the right to oversubscribe for shares in the amount as mentioned above, the maximum number of shares to be allotted to Mr. Vorasit would be 98,815,840 shares, equal to the total number of new ordinary shares offered in this occasion. As a result, the shareholding percentage and voting rights of Mr. Vorasit in the Company would increase to not exceeding 41.66%, passing the threshold shareholding percentage at 25% for the obligation of a mandatory tender offer, which would cause Mr. Vorasit Pokachaiyapat to have duties to comply with the mandatory tender offer obligation. However, Mr. Vorasit Pokachaiyapat ("Waiver Requester") intends to request for a waiver for mandatory

tender offer in accordance with the Notification of the Office of Securities and Exchange Commission No. SorKor. 29/2561 re: Rules for Waiver of Tender Offer by Resolution of Shareholders (Whitewash), dated May 30, 2018 (as amended) ("Notifications on Whitewash"). To obtain such waiver, it is required to comply with the applicable notification, and the shareholders' meeting shall resolve to approve the offering of new ordinary shares of the Company to the Waiver Requester with consent for the Waiver Requester not to make a tender offer for all securities of the Company after the acquisition of such securities. The mentioned resolution needed to be passed with not less than three-fourth of the total number of votes of the shareholders who attended the meeting and were entitled to vote. For votes counting for such agenda, number of votes and the total votes of shareholders who were entitled to vote for such agenda would exclude the voting rights of (a) a related person as per Article 258 of the Waiver Requester (b) a concert party of the Waiver Requester and (c) a related person as per Article 258 of the person in (b).

Details on the request for resolution of shareholders' meeting for approval of acquisition of new securities without requirement to make a tender offer for all securities of the Company (Whitewash) were as presented on the Request Form for Resolution of Shareholders' Meeting for Approval of Acquisition of New Securities Without Requirement to Make a Tender Offer for All Securities of the Business (Form 247-7) (Enclosure 4) which has been enclosed in the meeting invitation.

In this regard, the Company had appointed I V Global Securities Public Company Limited to act as an Independent Financial Advisor to provide opinion on the request for resolution of shareholders' meeting for approval of acquisition of new securities without requirement to make a tender offer for all securities of the Company (Whitewash) by the Waiver Requester, and the Independent Financial Advisor had considered that appropriate and would generate benefits to the Company. Details of the Opinion of Independent Financial Advisor on the Request for Waiver from Mandatory Tender Offer by Using the Resolutions of Shareholder's Meeting (Whitewash) and Related Party Transaction were as presented on Enclosure 6 enclosed in the meeting invitation.

Besides the approval from the shareholders' meeting of the Company on the offering of the oversubscribed new ordinary shares of the Company to the Waiver Requester with consent for the Waiver Requester not to make a tender offer for all securities of the Company after the acquisition of such securities, the approval from the Securities and Exchange Commission (the "SEC") is also required before the subscription is made. The mentioned approval from the SEC was as prescribed in the Notification of the Office of Securities and Exchange Commission No. SorKor. 29/2561 re: Rules for Waiver of Tender Offer by Resolution of Shareholders (Whitewash), dated May 30, 2018.

Opinion of the Board The Board had recommended that the Meeting of Shareholders consider and approve the waiver from mandatory tender offer by using the resolution of shareholders' meeting (Whitewash) of Mr. Vorasit Pokachaiyapat as per the aforementioned details. Please see relevant details on the waiver from mandatory tender offer by using the resolution of the shareholders' meeting (Whitewash) as presented on Enclosure 3 and the Request Form for Resolution of Shareholders' Meeting for Approval of Acquisition of New Securities Without

Requirement to Make a Tender Offer for All Securities of the Business (Form 247-7) as presented on Enclosure 4 which were submitted along with this invitation letter.

Opinion of Independent Financial Advisors The Request for Waiver from Mandatory Tender Offer Obligation (Whitewash) was deemed appropriate and beneficial for the Company. Details on the opinion of Independent Financial Advisor on the Request for Waiver from Mandatory Tender Offer by Using the Resolutions of Shareholder's Meeting (Whitewash) were given in Enclosure 6, which had been submitted to the Shareholders with the meeting invitation.

Vote Requirement This agenda item must be approved by not less than three-fourth of the total number of votes of the shareholders who attended the meeting and were entitled to vote, excluding the votes from shareholders with interests therein.
